

**California Business and Professions Code**

**Section 4052.**

**Furnishing to Prescriber; Permitted Procedures by Pharmacist**

**(a) Notwithstanding any other provision of law, a pharmacist may:**

- (1) Furnish a reasonable quantity of compounded drug product to a prescriber for office use by the prescriber.
- (2) Transmit a valid prescription to another pharmacist.
- (3) Administer, orally or topically, drugs and biologicals pursuant to a prescriber's order.
- (4) Perform procedures or functions in a licensed health care facility as authorized by Section 4052.1.
- (5) Perform procedures or functions as part of the care provided by a health care facility, a licensed home health agency, a licensed clinic in which there is a physician oversight, a provider who contracts with a licensed health care service plan with regard to the care or services provided to the enrollees of that health care service plan, or a physician, as authorized by Section 4052.2.
- (6) Manufacture, measure, fit to the patient, or sell and repair dangerous devices or furnish instructions to the patient or the patient's representative concerning the use of those devices.
- (7) Provide consultation to patients and professional information, including clinical or pharmacological information, advice, or consultation to other health care professionals.
- (8) Furnish emergency contraception drug therapy as authorized by Section 4052.3.

**(9) Administer immunizations pursuant to a protocol with a prescriber.**

- (b) A pharmacist who is authorized to issue an order to initiate or adjust a controlled substance therapy pursuant to this section shall personally register with the federal Drug Enforcement Administration.
- (c) Nothing in this section shall affect the requirements of existing law relating to maintaining the confidentiality of medical records.
- (d) Nothing in this section shall affect the requirements of existing law relating to the licensing of a health care facility.
